Facilitation & Coaching

Join us in this dynamic, interactive conference!

Guest speaker, Jinnie Lee Schmid will tap into your brain's love of visuals and organization. Using examples from the Scriptures, you will learn and experience three to four visual graphic tools teaching a more effective and enriching study of the Bible.

You will learn to:

- Develop creative thinking, enriching your Bible study (work and life).
- Inject passion, innovation and creativity in your learning process.
- Establish problem-solving and decision-making skills.
- Organize thoughts and ideas.

*Note: These tools can be used in work, life & ministry*
